CITATION INDEX YAYINLARI

BAŞKENT ÜNİVERSİTESİ

Başkent Üniversitesi'nin Dünya Bilimine 2013 Yılı Katkıları

2013 yılında Üniversitemizin kuruluşundan itibaren temel amaçları olan, "eğitim ve öğretimde mükemmellik", "arastırma ve yayında öncülük", "toplumsal hizmeti varlık sebebi olarak görmek" dengeli ve iddialı olarak gerçekleştirmeye çalışılmıştır. Ülkelerin bilim ve teknolojideki gelişmişliğini ölçmenin en önemli unsurlarından biri uluslararası bilimsel atıf indeksleri olan SCI, SSCI, A&HCI'ye giren yayın sayısıdır. Özellikle bu indekslerde yer alan makale sayıları ve bunların aldığı atıflar bilimsel üretim açısından son derece önem taşımaktadır. Aslında, "yayın" faaliyeti bir sonuç olarak, öğretim ve toplumsal hizmet hedeflerinin de gerçekleştirilemesine katkı yapan en önemli kalite ölçütüdür. Bu yönü ile ülkemizde de önem kazanmaya başlayan "üniversite akreditasyon sıralama" yöntemlerinde de yer almaya başlamıştır. Uluslararası sıralama sistemlerinden Leiden, Webometrics, Times THES ve URAP gibi uygulamaların tümünde yayın en önemli kalite ölçü olma özelliğini korumaktadır. Başkent Üniversitesi akademisyenleri, kurucumuz Prof. Dr. Mehmet Haberal'ın başlangıçtan itibaren ilke olarak ortaya koyduğu "kaliteyi her konuda olduğu gibi "yayın" konusunda da ön planda tutma" bekłentisi ile davranışmaktadır. Bu nedenle, indekslenen yayınlar özel olarak izlenmekte ve bir araya getirilerek paylaşılmaktadır.

Ülkemizdeki üniversiteler bilimsel çalışmalarını ve akademik performanslarını her yıl ölçerek göstermektedirler. Bu bağlamda üniversitemizin yayın sayıları ve araştırma düzeyini gösteren bu çalışma ayrıca "Web of Science" verileri kullanılarak üniversitemizin uluslararası indekslerde taranan yayınlarını ve öğretim üyesi başına düşen yayın sayılarını da kapsamlı olarak göstermektedir. Web of Science veri tabanında ağırlıklı olarak İngilizce yayınlanmış dergiler, bildiri kitapları, özgün araştırma makaleleri, tartışmalar, raporlar, düzeltmeler, editör yazıları, kronolojiler, bilimsel toplantı özleri ve kitabı eleştirileri yer almaktır ve sosyal bilimler, uygulamalı bilimler, sanat ve beşeri bilimler alanındaki konuları kapsamaktadır.

2014 Mart ayı başı itibarı ile üniversitemiz kaynaklı tam makale (452), letter (32), editorial material (11), book review (3), meeting abstract (133), proceeding paper (22), review (11), correction (2) olmak üzere toplam 666 yayın yapılmıştır. Bunların indekslere dağılımı, Science Citation Index Expanded'da (SCI-exp) 617, Social Science Citation Index'te (SSCI) 50 ve Arts and Humanities Citation Index (AHCİ)'te

4 yayın olmak üzere toplam 671 yayın bulunmaktadır. Bu yayınların dökümüne bakıldığından; SCI-exp'da 428 ve SSCI'de 44 ve AHCİ'de 2 olmak üzere toplam 474 tam makale bulunduğu görülmüştür. Ancak 22 makalenin hem SCI, hem de SSCI tarafından taranmış olması dikkate alınarak net makale sayısı 452 olarak kabul edilmiştir. Bu durumda öğretim üyesi başına düşen tam makale sayısı 0,72 olmaktadır. 2012-2013 yılı öğretim elemanı sayısı: 624'dir (ÖSYM verisi). 22 yayının doküman türü hem article hem de proceeding paper olarak görülmektedir. Bu yayınlar çıktılarında geriye 644 yayın kalmaktadır.

Başkent Üniversitesi'nin Tıp alanındaki SCI yayın öncülüğü son yıllarda Dis Hekimliği, Sağlık Bilimlerinde de sürdürmüştür. 2012 yılı yayın listelerimiz Dünyadaki gelişmelere paralel olarak SCOPUS veri tabanına göre de düzenlenerek, Web of Science indeksleri ile paralel incelemeye alınmıştır.

SciVerse Scopus bibliyometrik araçlarla birlikte araştırmayı izlemeye, analiz etmeye ve görselleştirmeye yarayan; hakemli yayınlardan oluşan en büyük özeti ve atıf veritabanıdır. Sanat ve insani bilimlerin yanı sıra fen bilimleri, teknoloji, tıp ve sosyal bilimler alanında bütün dünyadan 5000'in üzerindeki yayincının 18,500'ün üzerindeki dergisini kapsar. Scopus %70'i 1996'dan beri yayınlanmış özetler ve oldukça geniş kaliteli web sayfaları ve patent bilgisi olmak üzere 43 milyon kayıt içerir. 2014 yılı başı itibarı ile üniversitemiz kaynaklı tam makale (537), article in press (21), letter (33), review (16), conference paper (21), editorial (3), note(10), short survey (2), book chapter (2), erratum (1) olmak üzere toplam 646 yayın yapılmıştır.

Üniversitemiz kurucusu Prof. Dr. Mehmet Haberal'ın belirlediği ilkeler doğrultusunda öğretim elemanlarımızın kendilerini geliştirmeleri için yurtiçi ve yurtdışı her tür bilimsel toplantıya katılımları her yöden desteklenmektedir. Bizlere düşen, "bilimi kendisinde toplayıp Dünya'ya dağıtma" sloganı ile yola çıkan Üniversitemizde yayın ölçü ile ilgili olarak da geleneksel yerini korumak ve yükseltmektedir.

Prof. Dr. Kenan ARAZ
Rektör
